

A comprehensive line of herbal remedies for children

created by Giovanni Maciocia®

The Little Treasures®, is a pediatric line of remedies for children by Giovanni Maciocia®. The remedies have been formulated according to traditional Chinese pediatric formulae integrated by Giovanni's 35-year clinical experience.

Composed of 12 remedies, the line addresses some of the most common children's complaints seen in a Western clinic. The remedies were formulated to keep into account children's distinctive aetiology and pathology.

The children's disorders addressed by the Little Treasures® are:

- ✓ Completely vegetarian, no animal or mineral substances
 - ✓ Wheat-free
 - ✓ Yeast-free
 - ✓ Lactose-free
 - ✓ Sugar-free
 - ✓ Easy to dispense
 - ✓ Easily absorbed
 - ✓ No preservatives or artificial colourings
 - ✓ Free from magnesium stearate
- Upper respiratory infections
